

## Federal 3535

Federal 3535 is a surface mount, compact, high brightness LED that is built for various illumination needs. The small physical dimension can free customers from any constraints or limitations in these fields of applications. Furthermore, the reflow-solderable nature of Federal 3535 provides an easy path towards the optimum thermal management to achieve a promising reliability.

### Features :

- High lumen/lux performance
- Promising lumen maintenance characteristics
- Level 1 on JEDEC moisture sensitivity analysis

### Applications :

- Reading lights
- Portable flashlight
- General lighting
- Medical Use
